

Fellow Lions--

When I was a member of the Milwaukee Jaycees, they had a program that was called "Visitation". A Visitation is where members from one Jaycee chapter would attend another Jaycee chapter's project or event.

Visitations were encouraged as a way for Jaycee members:

- to interact with chapters other than their home chapter,
- to learn interpersonal skills, and gain new friends,
- to learn from fellow Jaycees by participating in other chapter's activities,
- to bringing back useful ideas to share with your Jaycee chapter.

I am proposing that the Wisconsin Lions enact a similar idea for Lions' members called the **TravelLog**.

The goals for a "**Lions TravelLog**" are:

1. to meet Lions from other clubs, and
2. to learn how other Lions Clubs run their events/meetings.

Members would receive points for the number of visits to non-home-club events that they complete, and for miles travelled to those events. Points would be totaled for the calendar year, and "Most Travelled Lion – Events" and "Most Travelled Lion – Mileage" awards presented at the State Convention. Award recipients could give a short talk highlighting a specific Lion that he/she met, or a *Lion Lesson Learned* to share with those attending the awards presentation.

Proposed Rules:

1. Visits to Lions events, not involving your home club, within the state of Wisconsin, are eligible.
2. Lions' State, District and Zone meetings and events are eligible.
3. Do not count the second visit to a club or event for the calendar year.
4. Do not count visits by a Lion running for a Lions' office.
5. Contest runs for the calendar year, and ends December 31.
6. Entries must be submitted to the Lions District office.
7. All lines must be filled out on the TravelLog form.
